### 2020 Membership Changes

**Dear Member/Prospective Member,**

I would like to start off with thanking all of you for a wonderful 2019 golf season. It has been an incredible first year for me and I am excited about what we can do together in the years to come. There have been questions about the membership landscape moving into the future so I am going to use this platform to highlight what is changing for 2020.

- Spousal memberships – Spousal memberships are being reintroduced immediately. Two full memberships discounted \$300 for those who qualify. Please see clarification on the application form.
- Family memberships – Family memberships are being reintroduced immediately. This will cover two full memberships and two juniors. Please see clarification on the application.
- The categories of limited, value, twilight have been permanently removed effective immediately.
- Discount options – All qualifying members will be eligible to receive discounts on pro shop purchases (retail only) as well as food purchases (no beverages of any kind will be discounted). Please see clarification on the application form.
- Referral program - The new member will receive 10% off their dues for the first two seasons, must be consecutive. The referring member will receive a golf shop or restaurant spending credit anywhere from \$50 to \$125, depending on the price of the new membership sale.
- Pay your dues early – If any member pays their dues prior to February 1<sup>st</sup> they will lock in their membership rate for the following three seasons. During all of the locked in years the member will be required to pay prior to February 1<sup>st</sup>. Pay your dues prior to March 1<sup>st</sup> and you will be entered in a draw to win your 2021 membership. Pay your dues prior to April 1<sup>st</sup> to be entered in the draw for a free yearly cart package. Sign up early and you have a chance to take advantage of all three opportunities. **\*fall joining special members do not qualify**
- Yearly cart packages – Cart packages have been revamped for 2020. We are introducing a yearly single rider package and changing the prices of the existing packages.
- Mandatory junior clinic fee – There will now be a mandatory \$30 clinic fee for all junior members. This fee will go towards expanding the program from just July & August to mid May to mid September which will more than double the amount of instruction time.
- Payment plans – There will be a 6 month payment plan option and a 3 month payment plan option for those who wish to take advantage. The 6 month option will have a \$45 surcharge.

Kind regards,

Kendall Keeley  
General Manager
